Summary

As a passionate tech enthusiast, I thrive on continuous learning and enthusiastically embrace new technologies. My adaptable mindset and self-driven approach enable me to excel in dynamic work environments. I actively contribute to open-source projects, embodying a commitment to collaborative learning and innovation. Eager to delve into new security technologies and methodologies, I bring a blend of curiosity, dedication, and a strong desire to make meaningful contributions to the ever-evolving tech landscape, with a specific focus on enhancing security and protecting digital assets.

Education

Nirma University , M. Tech in Cybersecurity	2023 – Present
• CGPA: 6.38/10.0	
L. J. Institute of Engineering and Technology , B. E. in Computer Engineering	2018 – 2022
• CGPA: 8.04/10.0	
Kameshwar Vidhyamandir , Science Stream	2016 – 2018
• Percentage: 68.61%	
Shree Narayana Guru Vidhyalaya	2004 – 2016
• Percentage: 67.66%	

Experience

Frontend Developer , 7Span Internet Private Limited, Ahmedabad	June 2022 – July 2023
<ul style="list-style-type: none">Utilized Tailwind CSS to create visually appealing and responsive web pages that met client requirements.Coded using JavaScript(Vue.js) to develop features for both mobile and desktop platforms.Worked closely with UX/UI designers to translate their designs into functional web applications.Utilized version control systems such as Git to track changes throughout the development process.Collaborated with back-end developers to improve website functionality and integrate new features.
